

Ramsey Dental offers comprehensive care

Dr. Daniel J. Kim provides his patients with comprehensive care at Ramsey Dental, conveniently located in the Interstate Shopping Center on North Franklin Turnpike in Ramsey. Dr. Kim focuses on patient care and a high level of service.

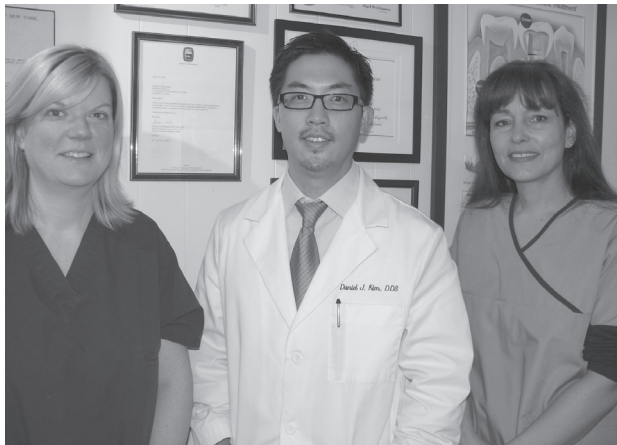

Originally from the Philadelphia area, Dr. Kim knew early in life that he would become a dentist with a talent for both art and science.

“My uncle was a dentist, and I always had an interest in dentistry,” he recalls.

The doctor received both his Bachelor of Science and Doctor of Dental Surgery degrees from Columbia University in New York. He began his career as a dentist in the United States Air Force where he received several Achievement Medals for his service during 9/11 and Operation Enduring Freedom. After returning to New York City and working as an associate, he seized the opportunity to start his own practice three years ago, when the office location became available in Ramsey. Dr. Kim is a member of the American Dental Association and the Bergen County Dental Society and has extensive post-graduate training in Dental Implants, Cosmetic Dentistry, Periodontics, Oral Surgery, Endodontics, Prosthodontics, and Operative Dentistry.

Dr. Kim offers his patients over 10 years of clinical experience and provides a variety of services, including Teeth Whitening and straightening, placement and restoration of Dental Implants, non-surgical Gum treatment, Porcelain Veneers and Crowns, Bridges, Dentures, Bondings, Fillings, and Root Canal therapy. Dr. Kim uses Digital X-rays, which process quickly and use less radiation. Major Dental Insurance plans are accepted and Patient Financing and Electronic Claim submissions are available.

Ramsey Dental has hours on Monday from 9 to 7, Tuesday, Thursday, and Friday from 9-5 and Saturday, 9 to 3. The office is closed on Wednesdays and Sundays. Call (201) 327-4040 for an appointment. Additional information is available online at www.RamseyDental.com.
